The members of the Police Department hope that everyone had a nice summer. As fall approaches we would like to take an opportunity to remind the residents of some reoccurring issues that arise this time of year.

1. The Special Officers have almost completed the town census and pet survey. This was done so the police department has the information to contact you the resident in case of emergency. If you have not completed a survey, please call the police department and an officer will stop by to help you fill it out. We also ask that you stop by police headquarters to fill out a "House Check" sheet if your residence is going to be vacant for a long period of time. Once this is completed, an officer will perform periodic checks on the residence until your return.
2. The speed limit within town is 25 MPH. In an effort to reduce the speed of some vehicles, we have created **4-way Stops** at all of the streets that intersect 3rd Avenue. The only street not affected by this is Sylvania Avenue because that is a County road and they would not permit it at this time.
3. **Borough Ordinance 161-30** prohibits parking in any lane in the Borough.
4. **Borough Ordinance 123-4**: Construction and the cutting of lawns may begin after 8 AM on Monday through Saturday. There is no construction permitted on Sundays and lawns may be cut after 12 PM on Sundays.
5. **Borough Ordinance 161-10**: The Diagonal Parking places in the first two blocks from the Beachfront will change back to Parallel Parking on November 15th. This is listed on the Department's web page located at www.avonpd.org.
6. **Borough Ordinance 161-26.1**: When snow is expected, please move all vehicles to the south & west sides of the streets until the plows have cleaned out the other sides. Once the other side is clear, you should move your vehicle back so the plows may clean the rest of the streets.
7. **Borough Ordinance 142-16**: It is the responsibility of the Owner or Tenant of a residence to remove the snow from the sidewalks. If the sidewalks are icy, it is the owner/tenant's responsibility to put sand or salt down on the ice.
8. **Borough Ordinance 64-12**: Dogs are not permitted on the boardwalk at anytime. They are permitted on the beach between October 1st and May 1st.
9. **Borough Ordinance 93-8**: Dogs are to be kept on a leash that shall not exceed 6 feet.

Most of the information presented here is located on our website. Please feel free to contact police headquarters @ (732) 502-4500 if you have any questions, or check out our webpage at www.avonpd.org. Please report any suspicious activity to the police department as it is occurring.
